

31 March 2012

The fund aims to provide long term growth and is designed for investors who are looking for both exposure to the UK equity market and a range of investment managers. These investment managers are selected for their investment expertise in the UK equity market and are monitored on an ongoing basis. This selection and ongoing monitoring is currently undertaken by Wilshire Associates and is based on extensive research with the aim of blending managers with different investment styles.

The fund may use derivatives for the purpose of efficient portfolio management, reduction of risk or to meet its investment objective if this is permitted and appropriate.
